HOTEL FURNITURE

Mr. Pathik Ahuja
(Director/ Furniture Consultant)

Sunny Overseas specialized in all kind of Restaurant and Hotel Furniture. We manufacture Café chair, Fine dining, Bar, Outdoor furniture and all kind of miscellaneous furniture.

The trend in furniture for this year will be centered on colors. According to Mr. Pathik Ahuja Director, SunnyOverseas, “In the Indian market, colors will play a central part in this year home, hotel, restaurant etc. decor trends.”

In terms of form, furniture will see more curves and sinuous lines. Lots of texture will be play as designers mix different materials and fabrics. Furniture will be in tandem with the overall decor, with some pieces standing out and some pieces blending in. Minimalism continues to be a guiding feature for decor. Furniture and furnishings play a vital role in connecting rooms and varied decor elements.

Spoeaking about international trends, “Furniture designs trending will be hip and chic.” There will be an explsn of color-vibrant, vital and capturing-chairs, armchairs, supersized sofas, and accessories offered in a wide range of color tones, strong and characteristic, as were even tables and luminaries.Highlights in more gold and brass tones will be seen on the furniture.”

Double functional furniture will become trendier (furniture and storage that doubles as decor). “Marble is a staple element of a luxurious space. Metal finishes such as with white gold, rose gold, black, gold etc will be used as highlighters to create stunning results. It’s all about the continuing pursuits of individualism, living an inventive and genuine life.”

Mr. Pathik says, “I have always adored style and my dad always encouraged me to be creative and successful. Fashion you can buy but style you must possess.”
